

## Door Prize Notice

Before our major sessions at convention, we draw for door prizes. Attending cities provide these door prizes by either donating them or asking businesses in their community to donate. As you seasoned attendees know, the delegates appreciate and enjoy these drawings immensely. This year, we will also be using these prizes for BINGO, which will be held during the Monday night Taste of Savannah Event.

**We ask that you please limit the number of door prizes you bring to three (3) and ask that they be worth at least \$50 in value. No caps and t-shirts, please.**

If your city will be able to provide door prizes, please fill out and return the form below. When soliciting for door prizes, please remember the following guidelines:

1. No perishable items, please.
2. Because of the large number of door prizes contributed, **all door prizes must be at least \$50 in value.** We would prefer a few great door prizes to several smaller items.
3. Please mark each prize clearly with the donating city or company name and the contents of the package.
4. Please package your prize as you want it given out. Please seal any boxes or bags that should be given out as one package.

Please return this form no later than **May 15, 2009** so that your city will be listed in the Convention Program.
