

### IQM2 Special No Risk Population Model

We are excited to announce the IQM2 Agenda Management, Video Streaming and E-Boardroom Program No Risk Population Model. In order to make it extremely simple and cost effective to get started we have put together a special No Risk Population Based Model

1. Unlimited meeting groups
2. Unlimited users
3. One low monthly fee based on population
4. No upfront fees
5. No Cost for Implementation and Training
6. No contractual obligations
7. Free Upgrades
8. Free migration of data from existing system
9. 24/7 Support
10. Free Access to the IQM2 Training Academy

Getting started is simple and hassle free. Please call Randy Weaver, IQM2 Southeast Business Head at: 813-413-6452 or [randy.weaver@iqm2.com](mailto:randy.weaver@iqm2.com) to take advantage of this excellent opportunity. You will be delighted with the results.
